

Youth • Educators • Group Leaders!

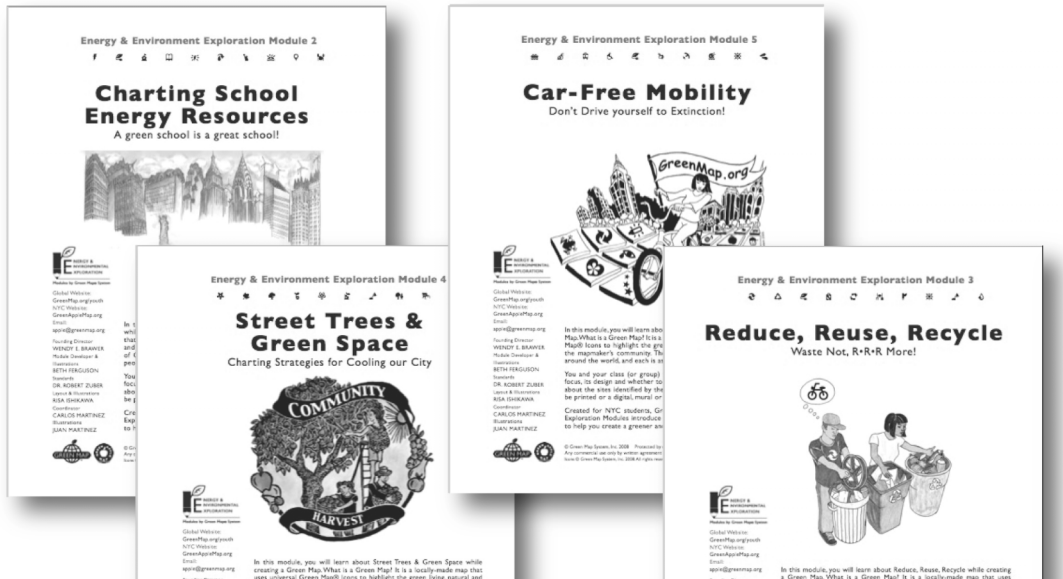

Help your community become greener and learn about sustainability with Green Maps

For more than a decade, Green Map® System has energized communities worldwide to chart a more sustainable future. 600 projects in 55 countries are now part of this eco-cultural movement. Join a growing list of schools, youth and community groups charting local green living resources, natural, civic and cultural sites using Green Map's award-winning, globally shared iconography and adaptable tools!

Green Mapmaking Resources for all ages and areas of study are at:
🌐 **GreenMap.org/youth**

A great place to get started is with the free Education Modules on this webpage!

★ These Energy & Environment Exploration Modules come with a leader's guide, mapping tools and sustainability education activities. You can use the whole module or just a part.

Green Map System thanks generous EEE Module & Green Teens Green Map supporters at the New York City Environmental Fund, Body Shop Foundation, Con Edison and Seventh Generation!

Green Map System also offers

- ★ Educational Videos: 🌐 [GreenMap.org/youth_media](https://www.greenmap.org/youth_media)
- ★ Open Green Map, our new interactive mapping website (click Share & Promote on top menu for education tools): 🌐 [OpenGreenMap.org/home](https://www.opengreenmap.org/home)
- ★ Published Green Maps that your students can explore - download in GreenMap.org's Maps section
- ★ Our award-winning icons 🌐 [GreenMap.org/icons](https://www.greenmap.org/icons)
- ★ Adaptable tools for printed or online Green Mapmaking 🌐 [GreenMap.org/resources](https://www.greenmap.org/resources)
